Company Profile

At the outset we would like to introduce ourselves as a Company having a group of experienced Professionals with more than 20 Years' of service in various fields of compliances & certifications like Compliance as per ETI Base Code (Sedex), Business Social Compliance Initiative(Amfori, BSCI), Social Accountability (SA8000), Environment Management System (ISO 14000), Occupational Health & Safety Management System – ISO 45000, Quality Management System (ISO9000), GOTS, GRS, EPR, BIS, FSC, Customs Trade Partnership Against Terrorism(C-TPAT), HR Solutions, & other IT Management solutions. Our group consists of professionalized people to setup an export-oriented units by obtaining all legal documents and fulfilling all customer mandatory requirements.

We have intensively and closely worked with different factories / manufacturing units and helped them to successfully comply necessary Compliance related matters all over India. This helped the factories to build a strong business relationship with their customers. We are also associated with other group of auditors and consultants for different areas of Business Management Audits & Trainings.

Our specialization in terms of Social compliance dealt with the requirements of many leading stores, Brands and Retailers in US & Europe.

We provide the following services:-

- 1. Help factories to get Approval in terms of Social Compliance from their respective Buyers / Buying Agents/ Houses, Leading Stores & retailers in US & Europe.**
- 2. Arrange to get certification for BSCI, WRAP, ETI (SEDEX), SA8000, ISO 14000, OHSAS 45000, ISO 9000, GOTS, GRS, EPR, FSC, BIS & Other Management systems.**
- 3. Internal Audits of Factory as per buyer's Social Accountability / ETI Standards or as per Local & International Law / International Management Standards like ISO etc.**
- 4. Identify non-compliance areas/issues as risk analysis, preparation of Employee Handbook, Safety manual, Social Manual, Standing Order & help factory to handle other issue like Anti-Sexual Harassment Committee, Works Management Committee and Health & Safety Committee etc.**
